

Dear Parents,

Tapestry On line Learning Journals

At Warmington School we use a piece of educational software called '**Tapestry**' which creates individual online 'learning journeys' for your child.

By logging on with a secure username and password you will be able to view all of your children's observations, photographs and video clips from their time in Reception. You will also receive an email telling you when a new observation or piece of work is available for you to view. This will enable you to follow your child's individual progress closely and you can then reflect upon your child's achievements with them. You can then add comments so that we as staff find out about which activities your child really enjoyed and the learning they get up to at home.

Staff will reference your child's learning to the EYFS profile so you will know which area of learning your child is achieving in and the age-band they were working in for that activity. All of this information is stored on a highly secure server which is monitored closely.

E-safety is extremely important to us at Warmington School, therefore we ask you to sign the agreement overleaf to show that you understand and agree to our guidelines. Please then add your **details address and email address** and return to the school office by **as soon as possible**.

We are sure that you will love this way of viewing your child's achievements as much as we do!

Many thanks,

Yours sincerely,

Miss L Guy
