

Dear Parents

Warrington School Sports News Autumn Term 2017

Last year we had tremendous sporting successes throughout the year with a great number of children joining after school clubs and taking part in the tournaments.

In most tournaments we were able to enter two teams and we achieved a first and second place in cross country, we were the LKS2 Tag Rugby winners and achieved third place in the County Hockey Championships. This is a huge achievement for such a small school!

We now have the dates available for tournaments in the Autumn Term. We usually enter events in the Oundle Cluster that are based around the various sports venues around Oundle. There are strict rules about how many children we can enter for each competition and usually a gender ratio which we have to adhere to but we also try as a school to be as inclusive as possible.

Event	Date	Time	Venue	Year group
Kids of Steel Triathlon	22.09.17	all morning	Corby East Midlands International Pool	3,4,5,6 All children in KS2 will be entered.
Cross Country	26.09.17	4-5.30pm	Prince William School	1,2,3,4,5,6
Girls' Football	04.10.17	4-6pm	Oundle Primary School	4,5
Small Schools' Football	19.10.17	4-6pm	Oundle Primary School	5,6
Sports Hall Indoor Athletics	22.11.17	4-5.45pm	Prince William School	1,2

These dates, times and venues can be subject to change but we will aim to get permission slips and as much information out as soon as possible.

Dates and events for spring and summer terms have not been released yet but the traditional order is;

Spring: hockey, basketball, tag rugby, KS2 indoor athletics and gymnastics

Summer: tennis, cricket, swimming, Warrington School Sports Day (27th June 2018)

If your child wishes to take part in a tournament and there is a clash with a Premier Sports Club (on Tuesday or Friday) or Mr Tranmer's Club on Wednesday then please let Miss Ibotson know a week in advance and the fee for that week can be deducted or credited against future bookings.

Please come and see me directly if you have any queries about sports events and I will do my best to answer them!

Thank you for your support.

Yours sincerely,

Miss Catherine Ibotson
Sports Co-ordinator
