

Communication Language and Literacy

Fiction writing – The children will be looking at different fantasy settings and will work towards writing their own Pirate story in a fantasy setting.

Non-Fiction – The children will read, write letters and postcards.

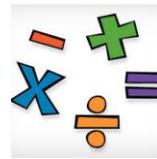

Poetry- The children will read and write poetry based on their senses.

Knowledge and Understanding of the World

Science - The scientists will explore living things and their habitats.

Topic-The Topic is Pirates. We will be learning about the famous Pirate 'BlackBeard'. The children will study the five oceans and find where these are on a map. They will look at the positions of the North Pole, South Pole and the equator and will find hot and cold islands for a pirate to travel to. The children will learn about human and physical features a Pirate may see on his travels. They will also become familiar with an Atlas and how to use it.

We will also have a Pirate themed day on Tuesday 12th July. The class are encouraged to dress up. We will look at the life and jobs of a Pirate, life aboard a Pirate ship, what it feels like to walk the plank and being marooned on an island.

Pirates!

Creative Development

Art- The children will study the Artist William Turner and will use his style of Art to create their own Art work. The children will also be creating their own Pirate flag. The children will create an imaginary island using Modroc.

Music – The children will be exploring sound through a project called: Rhythm in the way.

Personal Social and Emotional Development

RE – The class have completed all the RE units for the year so will be working with Mrs Jones on a DT project. .

PSHE- The children will look at growing and changing.

Physical Development

Monday- Y2 swimming

Wednesday- The pupils will be developing **athletic skills** as individual skills and applying them to mini games and activities. **Running, jumping and throwing.**

May pole dancing throughout the week.

The children will only need to wear their PE kits on Wednesdays.

Welcome to summer term 2!

Our new Topic this term is 'Pirates'. Why are pirates called pirates? Because they arrrrrh!

The children will have a Pirate day on Tuesday 12th July. They will have activities to complete during the day. Please could your children dress up as a pirate to embrace this learning opportunity. Please don't worry about buying something special as we can help make hats and accessories on the day.

Please continue to read with your child and make a note of it in their reading diary. 5 reads at home a week = a raffle ticket which will be drawn every Friday. If they need to change their book - the children have the opportunity to do this every day. Please remind them if they are not doing so (and give us a nudge)

If the children want to, they are welcome to bring in anything to do with our Topic 'Pirates' (eg. Books, pictures, etc.) and we will have a look at these during the week. Please try not to bring in other items as our timetable is very full and many objects stay on my desk for a while.

As we are in the final term, we are looking at ways to support the children in transitioning to their new year group. Once the timetable has been finalized, we shall let you know about the staffing for September. We have a "Meet the teacher" on Tuesday 12th July, where after school you are welcomed to chat informally with your child's "new class teacher". We appreciate that for some this will be a valued experience as a first opportunity to meet the member of staff, For others, they may already have an established relationship. The class teacher and TAs will also spend some time to share stories with the new year group, as well as some time for year groups to re-interact. The official move up morning is on 15th July 2022.

There is LOTS to look forward to this term. Our class and whole school trips. As well as sports day and our long awaited summer fete. If you are unable to attend on Saturday 25th June, please let me know as soon as possible so we can rearrange dance partners.

SUMMER TERM 2

Pirates!
