

Foxes Summer Term 1 Newsletter

Please find below an overview of what we will be covering over the next term of home learning. Please continue to look at the activities set each week, on the weekly plan. Not all subjects will be set every week. Please continue to record and share learning.

English: Traditional Tales

We will be looking at traditional tales and writing fact files. There will also be Spelling Punctuation and Grammar tasks. Practise your handwriting.

Phonics and Reading

Please continue to learn/revise the sounds for your phonics group by reading and spelling your new list each week.

Continue to read as much as you can. New reading questions have been added for you to be asked by your families after reading or listening to a story.

Art and Design:

We will be looking at the artists Vincent Van Gough and Giuseppe Arcimboldo. The children will create art inspired by them.

RE: What is the 'good news' that Jesus brings?

We will look at good news stories, You will think about friendship, forgiveness and peace.

PSHE: Emotions

We will look at a range of emotions, what they mean and how we identify them in ourselves and others.

Maths: White rose have constructed a plan for summer term to help consolidate previous learning and cover objectives to bridge the gap. They have also worked with the BBC, who are releasing daily 20 minute lessons. (These do not quite align with our plan fully until 4th May).

Y1	Number	Addition Subtraction	Measures	Multiply Divide	Place Value	Fractions	Time
Y2	Length and number	Addition Subtraction	Multiplication Division	Fractions	Shape	Measures	Time

Continue to use RM easimaths, Hit the Button and Times table rockstars to help practise your maths.

Science: Plants

We will be looking at a variety of trees and plants. They will name and identify the different parts of a plant with their function. Hopefully, they will carry out an investigation to see how a plant grows.

Topic: How does your garden grow?

We will be looking at where our food comes from. We will look closer at different continents, countries, their climates and where they are in the world.

PE: Dance

We will be looking at dance with help from some friends. You could also continue your daily work outs with Joe Wicks. Try Mrs Dunkley's favourite: Yoga with Cosmic Kids. As well as continuing to enjoy your walks, bike rides, scootering or even go karts (depending on your ride).

Music: Friendship song

We will be listening to songs with a friendship theme and learning to sing a Friendship song using the charanga website we use in class. Miss Aldous will send you a log in.

Computing: Spreadsheets

We will be looking at spreadsheets, creating pictograms and graphs on Purplemash. The weekly activity will be set as your "todo".
