

## Warmington School PFA

The Warmington School PFA (Parents and Friends Association) is open to all parents at the school.

Our mission is to hold a variety of events for children and adults throughout the school year, with the aim of having fun whilst raising funds to help the school to buy much-needed equipment that will enhance your child's time here.

This year we had: Warmington Bonfire Night cakes and flashy toys stalls, personalized shopping bags Christmas fundraiser, a Movie Night, Autumn Quiz Night, Christmas Wreath Night, Christmas Disco, Bags2School, Gin Tasting Evening and the Summer Fete raising over £4000 in the process - not bad for a small school. The school has put funds donated by the PFA towards the purchase of a new sound system, 16 new laptops for use in the classrooms and new playground equipment. The PFA also puts on a summer picnic for the children, provides refreshments for parents on Sports Day, purchases bookbags for Hedgehogs and Year 5 Red Kites, provides leavers gifts for the Year 6 Red Kites and contributes funds toward special class trips and events to reduce the cost to parents.

You can be as involved as you like, with no pressure to do more than you are able to. Many of those involved work, and we understand the pressures of time only too well. Meetings are held only 5 or 6 times a year, approximately one per half term. An agenda is sent via email in advance and minutes follow afterward. If you would like to be added to the PFA email distribution list, please let the school office know. Suggestions, thoughts, ideas are always welcomed ahead of a meeting from anyone who can't make it but would like to contribute. You can also follow us on Facebook, look up Warmington School PFA. Ultimately your help and support at events is essential to the PFA's success.

We are always looking for new members and will be sending out invites at the start of the term to come along to our AGM.
